Today's Craft Instructions: Paddle-Power Boat

- **You will need:** permanent markers or paint (not washable)
 - A wooden boat craft kit is included in your To-Go Kit.
 - Use markers or paint to decorate your boat. Ask a parent to help you with the rubber band.
 - When your boat is dry, test it out in the bathtub, sink, or pool.
 - In today's Bible story, Paul encouraged others during a storm to give them hope. Sometimes life is stormy: we feel sad or discouraged, or like there's no hope at all. But just like a tiny rubber band can power your boat, the hope Jesus gives us helps us get through stormy times. **Jesus' power gives us hope.**

Today's Game: Hope Floats

- A balloon is included in your To-Go Kit

How To Play:

- Blow up your balloon and tie it off (ask a parent if you need help).
- Find a safe space to play where you won't bump into anything.
- Bop your balloon to keep it up in the air.
 - o How many times can you hit it before it hits the floor?
 - o Or use a stopwatch to see how long you can keep your balloon off the floor.
 - o Keep trying to get a higher score next time!
- This game can be challenging, but we **hope** you didn't give up too soon. Just like Paul and the sailors went through a hard storm, sometimes we go through hard times and we feel like giving up. But we know Jesus has good plans for us. We can trust Jesus because **Jesus' power gives us hope.**

Today's Family Connection: Make a boat snack

- In today's story, Paul encouraged his friends when their boat was caught in a storm, because Paul knew he could trust Jesus. These boat treats can help you remember that **Jesus' power gives us hope.**

For Crispy Apple Boats you will need:

- Apples (each apple makes two boats)
- Your favorite spread: peanut butter, honey, nut butter, or Nutella
- Crispy cereal (such as Rice Krispies or Cheerios)
- Cheese
- Toothpicks

1. Cut the apple in half, removing the core.
2. Spread the top with peanut butter or other spread.
3. Sprinkle with cereal
4. Cut a sail for your apple boat from a thick slice of cheese and attach with a toothpick.
