Today's Craft Instructions: Air Powered Flying Disc

- **You will need:** markers or crayons
 - A flying disc is included in your To-Go Kit. Don't attach the sticker yet.
 - Use markers or crayons to color the sticker.
 - When you have finished coloring, carefully place the sticker on the disc
 - Now go outside and give your disc a try!
 - Can you see the air that helps your disc to fly? We can't see Jesus, but we can feel that he is with us, and we can feel his power when we need to be brave. Sometimes we need to stand up for what is right, even when it's hard, but **Jesus' power helps us be bold.**
-

Today's Game: Bold Book Race

- **You will need:** a somewhat heavy book

How To Play:

- Another word for bold is courageous. You'll have to be bold and stand tall to play this game!
- Decide where your race will start and finish (a tree, a chair, a bedroom, etc). Find a book that's somewhat heavy (but not too heavy!) and go to the starting point. Put the book on your head and walk to the finish line. You'll have to stand tall and be bold to keep the book from falling off. See if you can do it faster the second time, or if you need to make your race shorter so you can do it without the book falling off.

Being bold can feel uncomfortable or risky, like trying to carry a book on your head! But sometimes being bold is the only way something good can happen. When we're not sure when or how to be bold, we can ask Jesus for help because **Jesus' power helps us be bold.**

Today's Family Connection: Walk, Leap, Praise God!

- In today's Bible story, Peter and John met a man who couldn't walk. Peter and John trusted Jesus' power to heal the man, and he got up walking, leaping, and praising God! **Jesus power helps us be bold.**
 - Lead family your family on a nature walk. Listen, smell, and look for reasons to praise God.
-

Today's Outreach Idea: Prayer Reminder for Bold Evangelists in Niger

- **You will need:** markers or crayons, scissors
 - A coloring page with the flag of Niger is included in your To-Go Kit.
 - Follow the instructions on the coloring sheet to make a Niger flag prayer reminder and pray each day for bold people who are teaching others about Jesus in Niger.
 - Evangelists are people who tell others about Jesus. Like Peter and John, sometimes evangelists need to be bold in places where it might be hard to teach about Jesus. Hebron Church is supporting two bold evangelists in the country of Niger (NYE-jur), who go from village to village to share the love, hope, and power of Jesus with others. Even when they meet people who might not like the message of Jesus, they know that **Jesus' power helps us be bold!**
 - If you don't know where Niger is, ask a parent to help you Google it. What can you learn about this country? (hint: Niger is over 5,000 miles away!)
-

Social Media Connection:

- Post pictures or videos of your VBS in action! We'd love to see you singing, playing the Bold Book Race, taking your family on a nature walk, or coloring your Niger flag.
 - See today's Facebook post to add your pictures or videos in the comments!
-

Prayer is Powerful!

- Today, pray for the bold evangelists in Niger who face danger to teach about Jesus.
 - Thank God for giving us power to be bold and stand up for what is right.
